AGELAST INNOVATIVE SOLUTIONS is one of India's growing smart lighting company specializing in international lighting products. AGELAST INNOVATIVE SOLUTIONS a dominant force in the lighting industry has been engaged as a leading manufacture of all types of LED smart lights and envisions to provide sustainable, safe & energy-efficient smart lighting solutions to the world. Every LED light made by AGELAST INNOVATIVE SOLUTIONS is crafted to meet global standards. AGELAST INNOVATIVE SOLUTIONS lights not only have the technology, they also perform with perfection & ease. Their usage ranges from residential & retail, to commercial & industrial applications. AGELAST INNOVATIVE SOLUTIONS lights are fully integrated into the systematic structure of the overall product range.

Vision

We see ourselves growing at heights that every indian aspires to achieve to deliver the best at affordable prices to work out and reach maximum people possible. So that every Indian home is lightened with AGELAST INNOVATIVE SOLUTIONS.

Mission

A thought that is embodied in our products to deliver exceptional value and service to supersede the expectations of our clients and set the standard and development through ongoing improvement and investment in quality service infrastructure. The idea is to be innovative and to think long term in strategy and planning.

Our wide range of LED lighting solutions is specifically designed to substitute the existing conventional lighting systems and change the way people live and see forever.

CONSUMER LIGHTING: LED Bulbs & LED Tube Lights etc.

COMMERCIAL LIGHTING: LED Down Lights, LED Panel Lights, LED COB Lights, LED Track Lights, etc..

INDUSTRIAL LIGHTING: LED Street Lights, LED Flood Lights & LED HI-Bay Lights etc.

FANCY LIGHTING: LED Strip Lights & LED Wall Lights etc.
